## Attack of the rainbow pandas

👁 26 ✓ 1 ★ 2

### Chapter 1 by Gyro

That one night everything changed. They came at us from all sides and they were not effected by any weaponry we had. Their rainbow lasers ripped apart our homes and burned our waffles this was the end.

### Chapter 2 by intellikat

I was huddled behind the wreckage of a Holden Commodore when the Captain chose me and three other poor bastards to try and take out the Anzac bridge with shape charges. It was a national monument, yes, but if the rainbow pandas made it into the inner west, they were sure to kill the thousands who lived there. We had to stop them now, and force them back to New Zealand. If we could get them into the water, we might have a chance.

I readied my F88 Austeyr (knowing it was a joke to do so for these monstrosities would certainly not be fazed by small arms fire) and followed Dano, who carried the charges in his satchel.
